

OFA CERTIFICATIONS

The following English Cocker Spaniels have been included in the appropriate registry for the period **Jul 1 – Sep 30, 2020**. The suffix “PI” is used for dogs with permanent identification, “NOPI” for those without permanent identification, and “VPI” for dogs with permanent identification verified by the attending veterinarian. The OFA registry is online at www.ofa.org and can be searched using either the registration number or the name of the dog. Sire/dam information will only be included once unless they have an OFA number that applies to an additional registry.
